Breakfast and departure for the border with Israel and Palestine, in search of the Jordan River. We will dedicate this day to visit one of the most mystical and spiritual places in Jordan. We visit Bethany, the place where Jesus was baptized by St. John the Evangelist. The Jordanian enclave of Bethany was opened to visitors in 2000 and Pope John Paul II attended its inauguration as a sign of its recognition by the Vatican. Place of the Baptism of Jesus "Bethany beyond the Jordan" (Al-Maghtas) The archaeological complex located on the eastern bank of the Jordan River, about 9 km north of the Dead Sea, is of immense importance for Christianity because it is recognized as the place where Jesus of Nazareth was baptized by John the Baptist. Keep driving to the city of Decapolis, Jerash, the best example of a Roman provincial city in the Middle East, which is located just 50km north of Amman. Jerash was built by Alexander the Great in 332 BC and began to flourish after the

Roman conquest in 63 BC. The temple of Artemis, the theaters, the colonnaded street and many other ancient buildings give you the feeling of the great civilization and history of the region. After the visit, return to the hotel. Free time... Dinner and overnight stay
